Dear Sir,

**RE: FOOD PRODUCTION, CONSULTANCY, RECRUITMENT AND IN-
HOUSE TRAINING PROGRAM.**

Thank you Chef Tsofa. M. Andrew for your in-depth and thorough training program held at our hotel. We feel we will see an immediate improvement with general hygiene, food handling, food quality and presentation and so many others and we have already seen a vast improvement in attitude at all our kitchen brigades.

I would recommend this program to all hotels, restaurants and lodges.
