Dear Mr. Enock,

RECOMMENDATION LETTER

This is to certify that we engaged Impact Chefs & Hospitality Academy for a two-day training session for our Food and Beverage team; from 22nd September to 23rd September 2024, these classes majored on the bar, Mixology and customer service.

During this exercise, their team proved to be professional, hands on and quite enlightening especially with current trends on latest cocktails, emerging challenges in the hospitality industry and efficient mechanisms on how to satisfy modern guests.

I am pleased to be able to give them my wholehearted endorsement, if you are looking for a training partner for your organization, they are an excellent choice.

Do not hesitate to contact the undersigned for any clarification.

Thank You.

Kind Regards,

FOR AND ON BEHALF OF NEPTUNE MARA RIAN TA LUXURY CAMP;

WESLEY SIMOTWO

CAMP MANAGER.
