Re: Endorsement – Impact Chefs & Hospitality Academy

Dear Dr. Enock Alumasi Makanga,

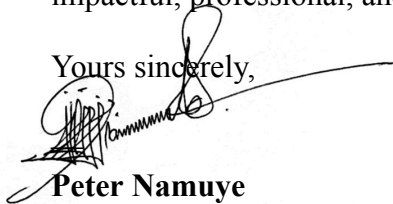

I am pleased to formally endorse Impact Chefs & Hospitality Academy following the successful three-day refresher and motivational training delivered to the Service and Kitchen teams at Waterlovers Beach Resort, conducted on Saturday, May 10th, to Monday, May 12th, 2025.

The programme was well structured, practical, and engaging, demonstrating strong industry expertise and a clear understanding of hospitality operations.

The training was well received by our teams and resulted in renewed motivation, improved service awareness, and strengthened teamwork.

Therefore, we recommend Impact Chefs & Hospitality Academy to organisations seeking impactful, professional, and results-oriented hospitality training.

Yours sincerely,

Peter Namuye
