Dear Sirs

CHEF TRAINING COURSE

We thank you for your in-depth and thorough 3-day course held at our Lodge.

We feel that we will see an immediate improvement with cleanliness, hygiene, food handling presentation, etc. and have already seen a vast improvement in the attitude of all of our kitchen staff and chefs.

Your follow-up visit in January 2015 is awaited with anticipation as we can then just reconfirm what you have already taught in the kitchen.

I would recommend this course to all hotels, lodges, and restaurants.

Yours faithfully
